Dear Parents,

Namaskar

Grow with Plants — Plant a Birthday Tree

As you are aware that Jain Bharati Mrigavati Vidyalaya since its inception is committed towards the holistic development of each and every being in this Universe. This can only be materialized when we all become sensitive towards Nature. Keeping this in mind ECO CLUB of our Vidyalaya has taken an initiative to make the planet Green. We would like our students to be part of this noble project by planting a sapling on their birthdays and thus develop a personal relation with the Mother Nature.

As a responsible inhabitant of this planet we need to celebrate our birthdays in an eco-friendly way. Birthday plantation is the best way to nurture the nature and have a green celebration.

You are requested to encourage your ward to make the occasion more auspicious by planting a Birthday Tree every year. Kindly furnish the following details to the Eco Club Incharge — Ms. Manisha Kumar.
