Dear Parents,

Namaskar

English is a Global Language and acts as a passport to the world. There is no doubt that reading can help with language acquisition and literacy skills which is important for success in school, work and life in particular. To promote English Conversation among our kids and to make them fluent speakers we put in the best of our efforts and hope the same from you.

In this regard we wish to bring to your notice following points:-

1. Our Campus language is English, hence we request you to motivate your ward to converse in English.
2. We are introducing a compulsory reading period for our students from classes Ist to VIIIth to enhance their reading skills. The students will also get bonus marks on the basis of their reading. You will be provided with a list of books which the child may read to get bonus marks as per the following criteria:

Class I-	1 bonus mark for 10 pages.
Class 2-	1 bonus mark for 15 pages.
Class 3-	1 bonus mark for 20 pages.
Class 4-	1 bonus mark for 25 pages.
Class 5-	1 bonus mark for 35 pages
Classes 6-8 -	1 bonus mark for 50 pages

Kindly help them to read the suggested books at home. A child may earn up to maximum 10 marks in each term.

3. The students may buy their own books or get them issued from the library as the library of our Vidyalaya is well stocked with 18741 books. We would like the students to avail the benefit of such a treasure.
4. To boost up the vocabulary, students will be acquainted with a new word (password of the day) and its meaning every day. Kindly encourage your ward to use it at home also. The students will also maintain a record of this word in a notebook.

Kindly cover and send a thin notebook titled as "My Treasure Book" to be used for the above stated purpose.

HAPPY READING

(Anupma Bhardwaj)
